2010 - An election year - there is a lot of work ahead of us and we need your involvement and commitment if the Wyoming Democratic Party is to be successful.

The LCDGC Officers need to know what activities and events you would like to see take place. We definitely appreciate receiving your membership dues; however, we need you to become involved with the meetings, activities, and events of both the county party and Coalition. Please attend a meeting to see what is taking place and to express your suggestions, ideas, opinions, etc. We look forward to hearing constructive communications from you.

Where do the membership dues and fund raising funds go and are used?—
